

Annual Contribution Schedule For Members Age 35 and Under

Persons age 35 and under are invited to join the Congregation at the following level of annual contribution:

*Age 29 and under	\$150
Age 30 thru 32	\$200
Age 33 thru 35	\$250

*Children of current Washington Hebrew Congregation members are not required to make an annual contribution until the age of 30. If married, the age of the older spouse is used to determine the amount of their contribution.

At age 36 members place themselves in the Young Fair Share program. This means an annual contribution will be made based on total household income received (earned and unearned) and the appropriate Capital Pledge will be made payable over 10 years. However, to help transition into Fair Share, the first three (3) years of annual contribution will be billed at a discounted rate (see Fair Share Schedule for Members Ages 36 through 39). Our philosophy is not to deny membership to anyone who wishes to join Washington Hebrew Congregation.

Note: Should a member on this special schedule enroll a child in the Religious School or Early Childhood Center, the Fair Share dues program for ages 36 through 39 will be in effect.
