

We all deserve to live in homes where the air is healthy to breathe.

Our Public Meeting on Climate Solutions, Housing and Health

**Tuesday
December 5, 2023**

7-8:30pm

Good Hope Union UMC
14680 Good Hope Rd, Silver Spring

CONFIRMED: **Senator Brian Feldman, Delegate Linda Foley & 300+ leaders from schools, congregations, and organizations across Maryland**
INVITED: **Governor Moore & Secretaries of Housing, Energy and Environment**

For years, we have organized with tenants who have identified respiratory illness as a problem in their communities.

Maryland is now moving to clean energy. We can lead our state and nation to reduce climate pollution and address the needs in our communities.

Join us to show our elected officials that we want clean energy and affordable, healthy homes for ALL.
